Youth With A Mission

Youth With A Mission (YWAM) is a world-wide interdenominational missionary organisation which was founded in 1960, and provides opportunities for Christian service on a short or long-term basis.

The person named above has listed you as a good friend and as such we would ask you to act as a referee for their application to attend this YWAM course. Thank you for your willingness to help us in this process.

The Discipleship Training School

The Discipleship Training School (YWAM-DTS) includes a lecture phase and a field placement.

The field placement could be in primitive and stressful conditions, but will provide an opportunity for the trainee to use their skills. **It is therefore not in the applicant's best interest to give an unrealistically positive view of them.** An honest, realistic appraisal will help rather than hinder their application. If you would prefer to give your opinions by telephone, please feel free to do so.

We need to receive this form before we can process their application - thank you for your prompt reply.
